## QUINTERO TUBULARES

Habanos, S.A. presents the new **Quintero Tubulares** a new vitola incorporated to the most popular brand with origin in the city of Cienfuegos. Quintero Tubulares will be arriving to the all points of sales worldwide in the coming weeks. This is the first time that the brand is in aluminum tube.

All the Quintero Habanos are made with leaves coming from Vuelta Abajo (D.O.P)\* and Semi Vuelta zones, in the Pinar del Río (D.O.P)\* region. These Habanos are characterized by its medium bodied flavour.

The Quinteros also are made “Totalmente a Mano con Tripa Corta” Totally hand-made with short filler, a technique less used but recognized by the Regulatory Council for the Protected Denomination of Origin (D.O.P) .

For Quinteros blend el Torcedor (the roller) combines with chopped tobaccos leaves and rolls the filler into full- length binder leaves with the aid of a flexible mat fixed to form a firm bunch. The wrapper is applied by hand in the normal fashion. Quintero Tubulares is also introduced with a new presentation in aluminium tube.

## TRINIDAD VIGIA

The origins of Trinidad as a Habanos brand go back to 1969 and for many years, much like the Cohiba brand, it was used exclusively as a gift from the Cuban state to senior overseas dignitaries. It was in 1998 that the brand was made available to smokers all over the world, but even then only in very small quantities.

For a long time Trinidad Habanos were made at *El Laguito*, the historic Cohiba factory, always with the highly distinctive blend of tripa -filler- and capote -binder- selected from the Vuelta Abajo zone, making them unique and highly exclusive.

Nowadays they are made in Pinar del Río, the largest city in the Vuelta Abajo tobacco zone, still adhering to the principles of quality and exclusivity that have always marked it out.
