Habanos s.a. presents the Limited Editions for 2013. All are produced in small quantities by expert Cuban cigar rollers. The Limited Editions are highly appreciated and awaited every year by enthusiasts worldwide. They are characterized by *vitolas* -sizes- that do not appear in the usual range of the brand portfolio, and they are distinguished by a careful selection wrapper, filler and binder leaves which have been aged for a period of at least 2 years.

## HOYO DE MONTERREY "GRAND EPICURE"

is a size specially selected for this Edición Limitada 2013. These 10 Habanos are produced "*Totalmente a Mano*" -Totally handmade - after an exquisite selection of wrapper, filler and binder leaves coming from the Vuelta Abajo plantations. This *vitola* keeps the flavour of Hoyo de Monterrey's blend, which makes it an attractive choice for those who seek a delicate yet aromatic Habano that is lighter to the taste but with great elegance and complexity.
