– The first “figurado” to become part of Cohiba’s permanent range

The introduction of Cohiba Pirámides Extra is designed to complete the range within the Línea Clásica, the first line created in the prestigious Cohiba brand. Pirámides Extra introduces the characteristic Línea Clásica’s medium to full flavour, totally handmade with long filler, using the "selection of the selection" from the best tobacco plantations in the Vuelta Abajo zone. Made with the Línea Clásica blend, comprising Volado, Seco and Ligero, these two last types of leaves have had the additional fermentation which is unique of Cohiba. This size includes a new Cohiba band with innovative design and security elements.
